

Discovery Days is a tradition at Geysers where parent and grandparent volunteers teach a class to students. This year's Discovery Days will be on 4/20, 4/27 and 5/4 from 3:30-4:30. No bussing will be provided. Students must be picked up at 4:30.

We have lots of classes available for this year's Discovery Days! From cooking to card making, Computer programming and soccer, there is something for everyone. Make sure to read through the whole packet so you don't miss one. Please be sure to check dates and grade levels before making a choice. The **online sign up will open April 13th at 10am.** We will email the link and post it on Facebook at that time. Classes will be filled on a first come, first serve basis. All classes are free and students can sign up for a different class each week. We want every child who wants to take part to have a chance. If you have any questions please email me at kcg5506@gmail.com

Note – The sign up will work on a smart phone or computer. If you do not have access to either, please call the main office and we will do our best to assist you.

Use the bottoms of this page to help your child plan their choices and to record the classes that you have signed up for. If a class is full it will no longer show as an option. Please send a green note to school on the days your child will be staying after, indicating who will be picking them up and a phone number to call if there is a problem. By signing your child up for a class, you are confirming that they will be staying after and you will be picking them up at 4:30 PM. If your child will not be attending, please email ASAP.

For Your Planning:

Suggestion – Circle the name of the class that you have signed your child up for!

Choices for Session 1 (4/20):

Choices for Session 2 (4/27):

Choices for Session 3 (5/4):

1. Making Crepes the Thin French Pancake with Ms. Prak **4/20, 4/27 and 5/4 for grades 3-5**
